Change. Made Necessary by the Narrow starts in Fashion Soft Flumness sometimes Provided About the Feet Pretty Petticoats Are Still Made

and and subdued almost to the extinction, but the average white crisp and billowing garment outh her narrowest frocks and the a-modish women does consent to citicoat with some of her frocks. will sees in the shops some bett if substantial materials made with who would wear one of them she went to a fashionable dress-

ints are so narrow and dress are so light and soft that every I wrinkle of any prominence shows down flatly and they must be so at they offer no awkward folds or the ruffle or finish now being shaped rather than shirred in order to do with the danger of a definite line

in drawers are discarded alto in favor of tights by many women: ghts are made to do duty for a to propiriate even the most radidressmakers, and these are of is types, from the short dark pettito be worn with trotting frock to n and net that accompanies evening or the wonderful creation of softgerie material rich with hand em-

the tailored coat and skirt of with body enough to keep its shape.

Where a petticoat is worn with the day-

shot or changeable silks are exceednerise and in certain vivid blue and cerise

with chiffon. A charming dark pettitop of changeable black and royal blue chiffon hemstitched on the bottom. This idea of the unsubstantial semi-

a tashionable petticoat has been

wears an attenuated version of that while not bouffant have a amount of firm self-assertion hem, and presumably somebody lese skirts; but it would be a brave ra fitting and it would be a very woman who would succeed hat aggressive pettienat

and to wear one of these smart with success one must bestow are upon the choice and fitting of idergarments. If muslin drawers inations are worn they must be rial so fine and soft that it will heading.

it too with some costumes. But ire petticoats soft and clinging olous little affair of soft satin and

f the skirt has a drop skirt or g of its own. From a practical view this has its advantages il tailored short-skirt of material ned or flatly lined with soft satin worn over well fitted tights is an arrangement for comfortable walkgarb, provided the skirt is wide igh to permit freedom of movement all of the best skirts now have a modwidth, though they still seem very ow judged by standards of earlier

e frocks it is likely to be of softest nessaline or satin fitted closely and moothly down to a deep flounce which a either accordion plaited or shaped so that it falls limp and straight and es not hold the dress skirt out at the tom. The black silk or wool jersey with messaline accordion plaited founce is practical for general utility purposes and there are some pretty effects lack and white stripe, though if the Times are wide enough to give the pettia a smart air the white stripes soil

rly well liked for the knockabout "ticoat, giving attractive color effects en in shades dark enough to be very serviceable; and among the new spring naterials there are even more attractive combinations in the changeable ke than there have been before. Three ors enter into some of the prettiest hese silks and the taste for difficult and udacious yet subtly harmonious comations which has been a feature of the ast year's modes is reflected in some of changeable effects. There are levely things in purple or violet and

changeable color schemes enter into the dressier petticoats too, though here they are often developed through veiling hat less substantial than the models all of messaline or other soft silk has a in a very supple silk of satin finish. The silk ends at the knees and below is a double founce of chiffon, the underflounce of the bright blue, accordion plaited, the outer one a plain soft veiling of black

transparent flounce is well liked, the aim eing to achieve a soft fluffiness about the feet without holding out the bottom of the frock at all, and the very prettiest and daintiest of the petticoats for evening or other dressy wear are built up re or less on this plan. One lovely del was in black and white, a top of e white satin veiled in one layer black chiffon, an accordion plaited oe of white chiffon and an overblack satin ribbon. A similar model and buff and blue will prevail in the deco-

ated among the sketches showing will give one to-night also. Dinners were wore a costume of white satin, over which dancing was a tulle tunic embroidered in pearls as model there is a band of the nettern beautiful for the welding on Thurs-day and Miss Catherine Hame: Secured her net veil and a little below the deep heavy and Miss Catherine Hame: Secured her net veil and a little below the deep heavy and Miss Catherine Hame: Secured her net veil and a little below the deep heavy and Miss Catherine Hame: Secured her net veil and a little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and Miss Catherine Hame: Secured her net veil and little below the deep heavy and little below the deep heavy and little belo and a little below the deep heavy with netted top forms a straight, avenue. Mr. and Mrs. Harry B. French, the bride's parents, will give a bridal dinner at their home, 1502 Spruce street.

Gates, Robinson Bridgford, all of Louisville, will be the ushers. Mr. and Mrs. Harry B. French, the bride's parents, will give a bridal dinner at their home, 1502 Spruce street.

An entertainment for the benefit of the Blue Ridge Industrial School in Greene county. Virginia, will be given at the studio of Wilhelm Funk, 119 West Forty-second street, on Thursday afternoon, March 2, at half past 3 o'clock. This school is a part of the work which is being done among the Virginia mountaineers under the auspices of Archdeacon Neave and the Rev. George P. Mayo of the Protestant Episcopal Church. Mrs. Charles Dana Gibson will sing and Mrs. Ruth Draper will give a monologue. There will be other interesting features

Above With Musical Daughters. "Once," said the flat dweller with musical daughters, "our neighbors living in the flat under us complained; the man of the house down there came up to see

"How do you suppose we can live down there,' he said, 'with your daughters forever pounding on the piano in minor, medium and major keys, but mostly in the major, and forever singing at all hours of the day and night songs that seem to be mainly in a high pitch? Your daughters are most estimable young ladies, both, I know, for I have seen them; but I wish you would come down into my flat some time and listen, listen.
